We would like to add Dr. Sarbu to the acknowledgement sections of chapters II, III and IV. An early working version of the project on agents with social preferences is available online (c.f. Koch, Sarbu and Weinschenk, 2019). Revised versions of chapters III and IV with empirical extensions are available (c.f. Koch, Sarbu and Weinschenk, 2025a and Koch, Sarbu and Weinschenk, 2025b, respectively).
